FTA's Safety Oversight Goal

Continue to improve and strengthen SSO programs for oversight of rail transit operations.

SSO Certification Process

SSO Program Background

Application Review Process

SSO Certification

States with Rail Transit Required to Meet State Safety Oversight Program Certification Deadline (April 15, 2019)

Deadlines

Deadlines	Dates
Compliance Deadline	April 15, 2019
Submission Deadline	September 30, 2018
Preferred Submission Date	April 15, 2018

Financial Penalty

What if a state misses the April 15, 2019 deadline?

- FTA can't obligate financial assistance. Funds must be withheld until SSOP is certified by FTA.
- State-wide impact
 - Applies to all Chapter 53 grant recipients

Certification Status Table
