State Safety Oversight

MTAP Winter Meeting
Santa Fe, NM

Mark Sprick, AICP
Director, Administration & Program Support
Public Transportation Division
Texas Department of Transportation

November 19, 2019
WHY DO WE DO THIS?
One morning
Like every other day...
The Accident

BLown tire forces emergency landing
Canberra, Australia
Return
To
Public Transportation Division
Basic vs. Best Practice
The TxDOT SSO Story

Dealing with Significant Change

[Image of two trains on a railway track, one traditional steam engine and one modern electric train, surrounded by greenery and mist.]
So now what?
The TxDOT SSO Story

Real program goal
